Job Description:

At Newport Auto, customer care is priority, as well as reducing our environmental impact by making efforts to reduce, reuse and recycle many of the materials used for repair and maintenance service. Our Squamish based automotive shop is currently seeking two professional automotive technicians to join our team. Successful candidates will receive 4% vacation pay, 10 days of vacation after one year of employment, and receive overtime rate of 1.5 times their hourly after 40hours a week. They will also be eligible for performance bonuses and enrolment in the comprehensive benefits plan that includes extended health, dental, disability, life insurance and vision care. If you have an automotive technician certificate, have 3-5 years of experience as a certified technician, and want to be a part of an innovative and growing company, apply today.

Job Duties:

- Adjust, repair or replace parts and components of automobiles, trucks and truck/trailer systems
- Diagnose faults and malfunctions, and test and adjust repaired systems to manufacturer's specifications
- Perform scheduled maintenance on vehicles
- Road test vehicles and test vehicle systems and components to ensure all is in proper working order
- Advise customers on work performed and any future maintenance that may be required
- Maintain mechanical service equipment and understand and adhere to safe operation of all equipment
- Ensure all equipment, tools and supplies are returned in good working condition to appropriate shop areas
- Ability to work on own with little supervision, in a fast-paced, customer-focused environment
- Excellent customer service skills
- Ability to lift 32Kgs (70lbs)
- Ability to bend, reach, walk, and stand for long periods of time
- Valid driver's license
